

WIGGLE TO 100!!

Directions:

When it is your turn, draw two number cards, one operation card, and one action card.

Create an expression with the numbers and operation cards.

Solve.

Do the action card the numbers of times your expression is equal to.
(If your action card has two steps on it you must do both steps before you can count 1)

If you successfully complete your action card, you may move forward that many times on your hundreds chart.

The first person to 100 wins!!
