YOU MAY...

Print as many copies as you would like for your OWN personal use

Save this file on YOUR computer

Share on a blog, facebook page, ect as long as there is a direct link to You've Got This

PLEASE DO NOT...

Make copies to give to your fellow teachers or friends. Please share the link with them so they can download their own personal copy.

Save to any file that can be accessed by anyone besides you. This includes dropbox, 4shared, facebook groups, shared drives, ect
E-mail just the PDF

Claim this printable as your own

Post just the PDF on your blog, facebook page, ect

Sell or profit in any way from the PDF

Hundreds Chart Clip Cards

Prep Work -

- First, print off hundred chart activity clip cards on cards stock paper.
- Next, cut them out and laminate for extra durability.
- Now, print off both the hundreds chart on card stock paper. Cut the chart in the hundreds off at the line right above 101. Next, line it up and tape it under the number 91. Finally, laminate for durability.
- Provide clothespins for the students to mark their answers.

Directions -

1. Have children use the hundreds chart to solve the problems on the clip cards
2. Children place clothes pin on the correct answer
