Measurement Conversions Bump

Prep Work -

- Print game board
- Print off game cards, cut out, and place in large cubs
- Gather up board markers

Directions -

Players roll the die and may cover up any picture that is equal to what they rolled.

If there is already a marker on that picture they may do one of three things:

1. Bump off that marker if it belongs to their opponent.
2. Add another marker making it secure
3. Nothing...if the basket is already secured.
4. The game ends when all pictures are secured. The player that secures the most pictures wins.
