# *Shape Game*

## Prep-Work:

1. Print off the game board you want to use.
2. Provide a spinner (pencil and paperclip) and a game piece.

## Directions:

1. Player spins the spinner. They read what they landed on.
2. Next, they move their game piece up the board till they reach that shape.
3. For added difficulty, have them say each shape as they land on it.
4. Player two does the same.
5. The game ends when they spin the last shape on the game board.
