# *Dividing By 10 Game*

## Prep-Work:

1. Print off the elf shoe game board you want to use.
2. Provide a die, game pieces, and a calculator.

## Directions:

1. Player one rolls the die and then moves that many spaces.
2. They solve the problem they land on, and their opponent checks it with a calculator.
3. If they are correct, they get to stay in that place. If they are wrong, they move back two spaces.
4. Players take turns until a player reaches the finish space.
