Multiplying Decimals

Prep Work -

- Print off pages on card stock, cut out and then laminate.
- Gather up pencils and paper

Directions -

- Have children put solve the multiplication problem and find the answer.
- Children then record their answer on the record sheet as a grade or for accountability.

Other options:

Sort out the bottom of the Christmas trees based on an estimate. All bottoms they think will equal between 0 - 20 in one pile, 21- 39 in another, etc.

Make it a race and see who can correctly put all the puzzles together first.
