Missing Number Equations

Prep-Work:

1. Print off worksheets
2. Gather up scissors and glue

optional - place magnets on the back of snowflakes and laminate worksheets. Place the worksheet on a cookie sheet. Children can write on the worksheets using dry erase markers and will not have to glue on the snowflakes.

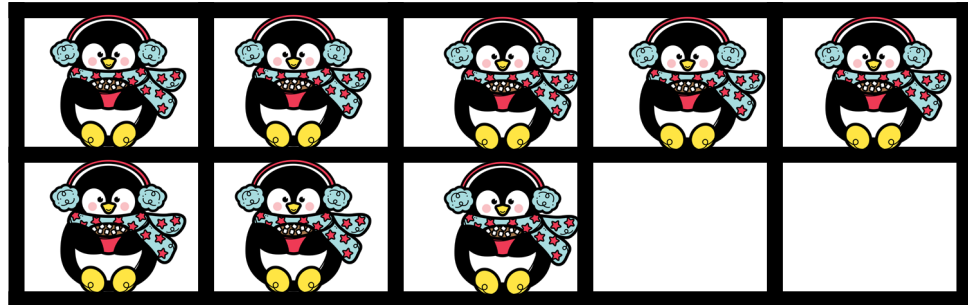

Directions:

1. Children add on snowflakes to get to the minuend.
2. Based on the two different pictures, they make an addition sentence with a missing addend.
3. Finally, they solve the multiplication problem.
