# Hundreds Chart Puzzles

## Prep - Work

- Print of puzzles on card stock
- Cut out and then laminate.
- Provide dry erase markers

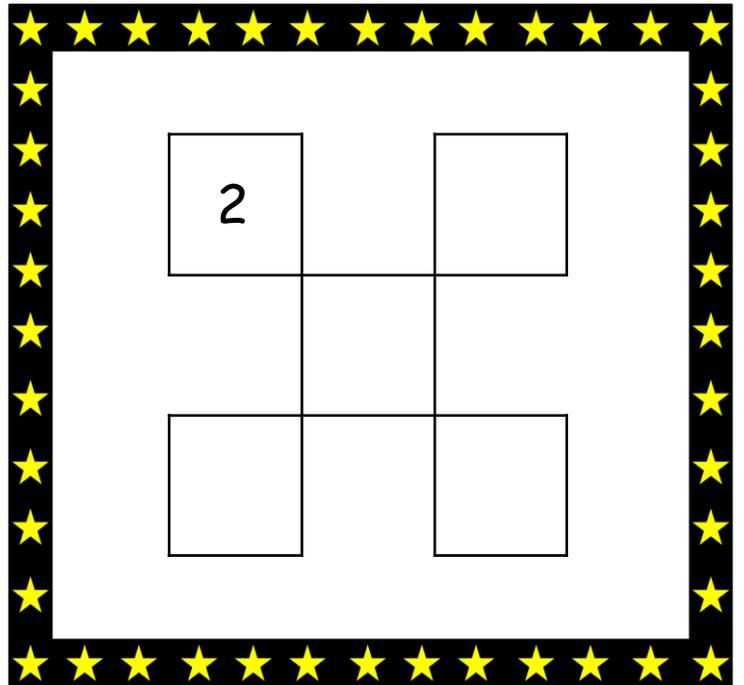

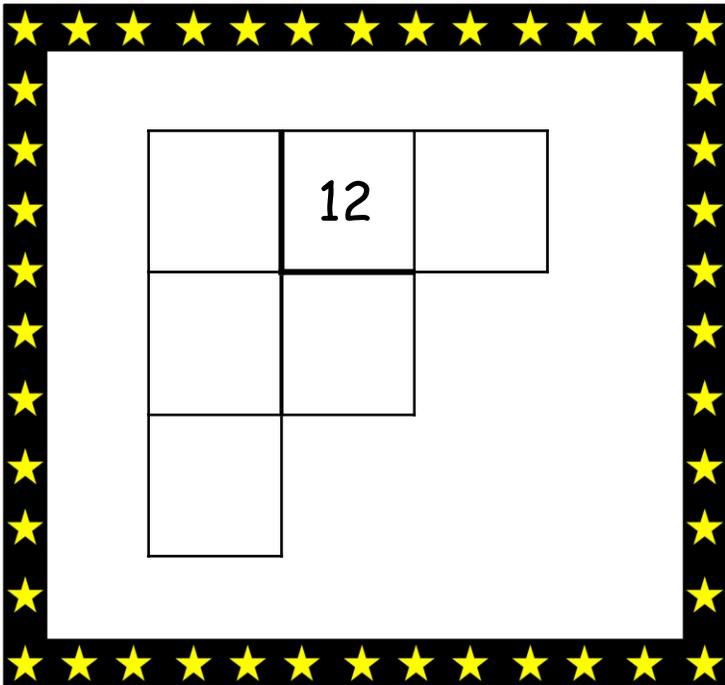

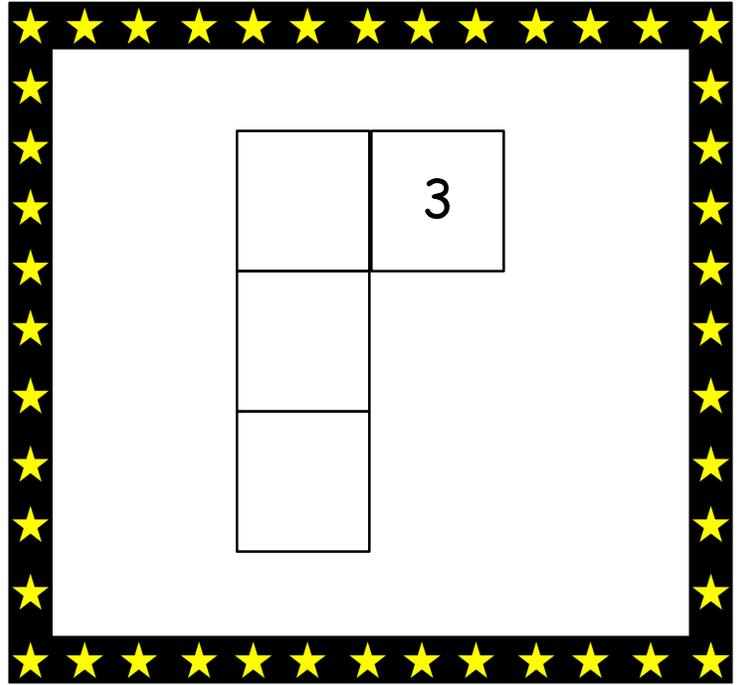

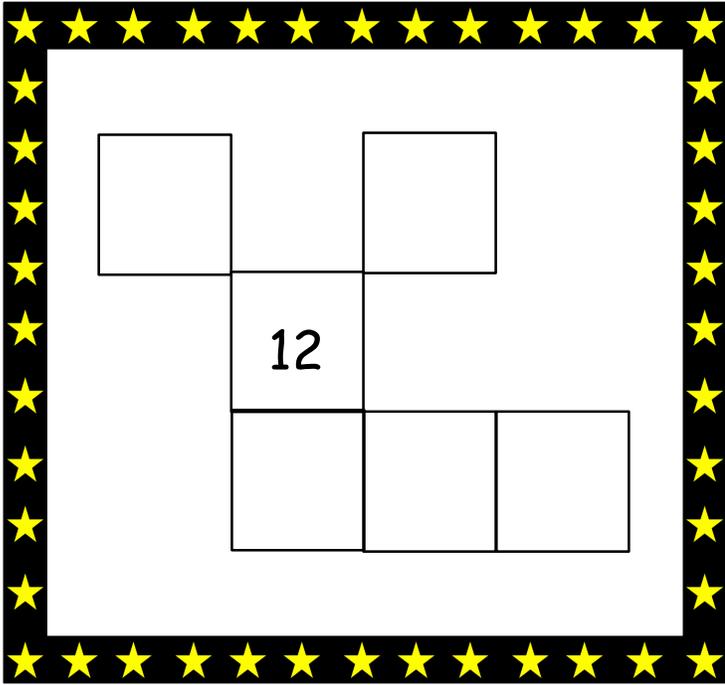

## Directions:

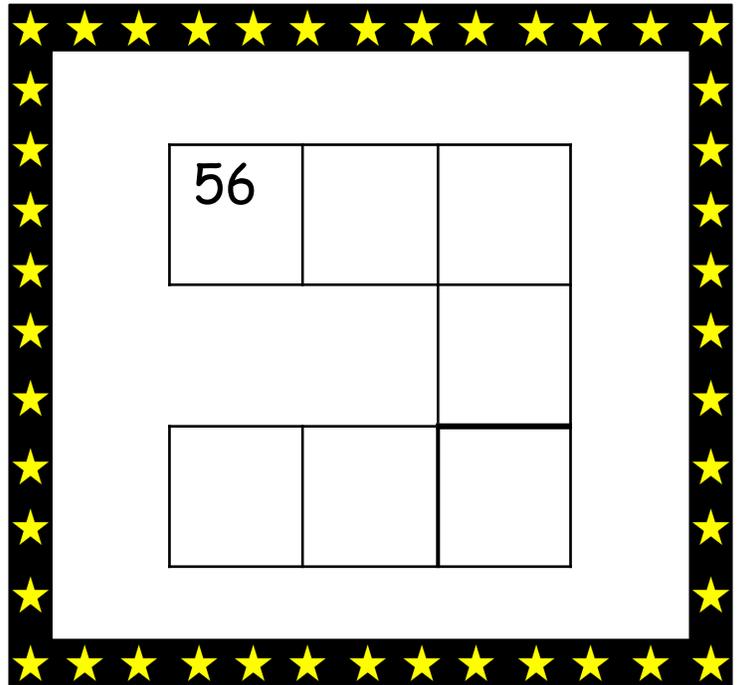

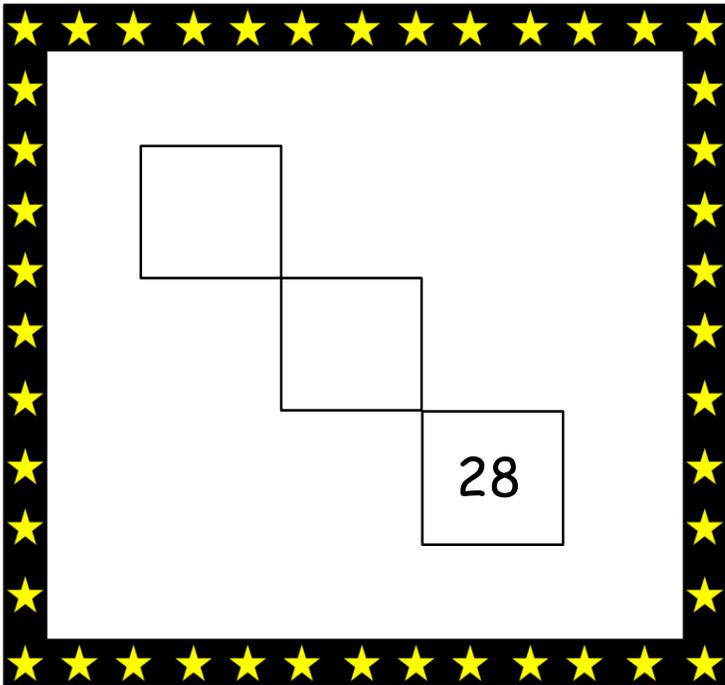

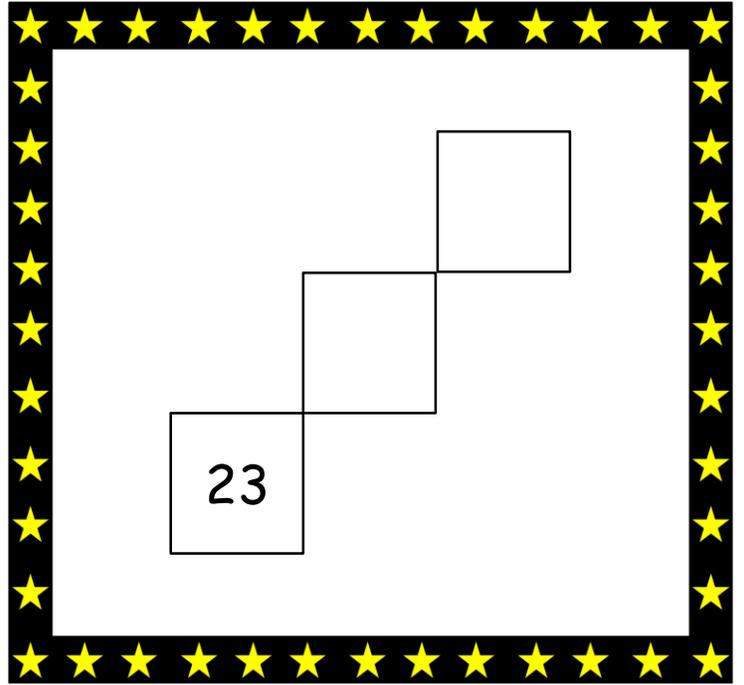

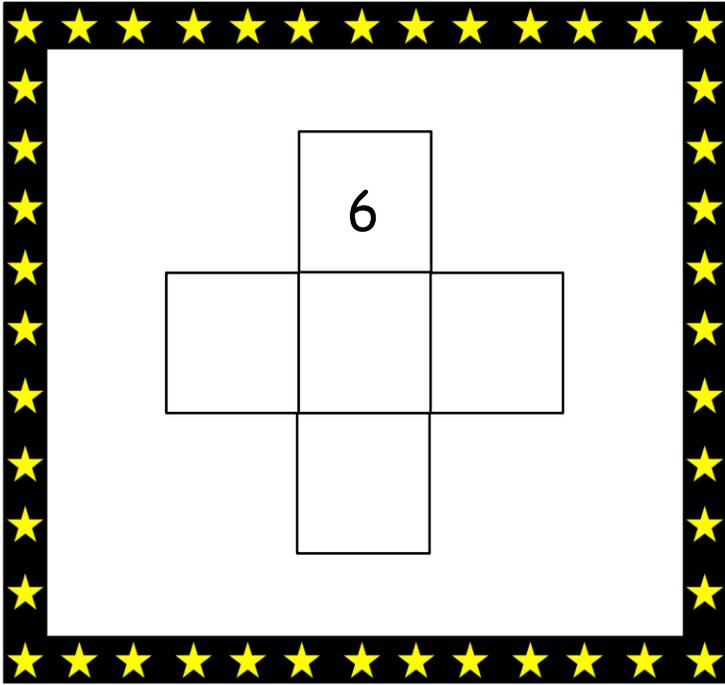

- Have the children draw a puzzle for the pile and solve by writing numbers in the empty boxes.
- Then have the students choose one of the numbers they wrote and cover up that number on the hundreds chart.
- The first person to get five in a row wins.

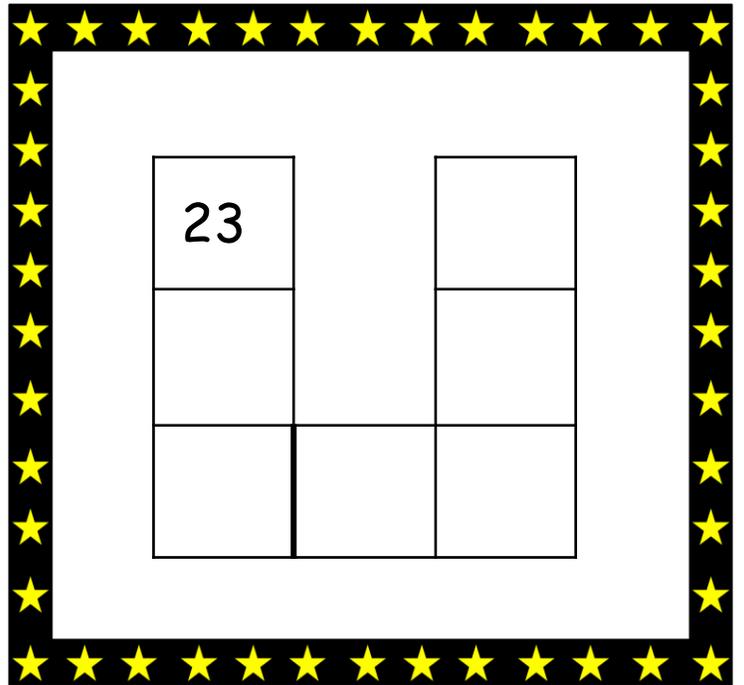

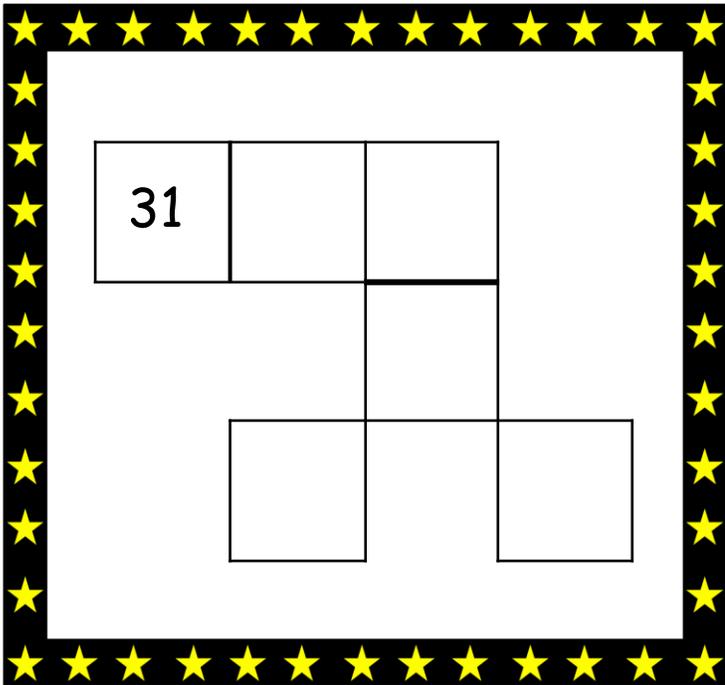

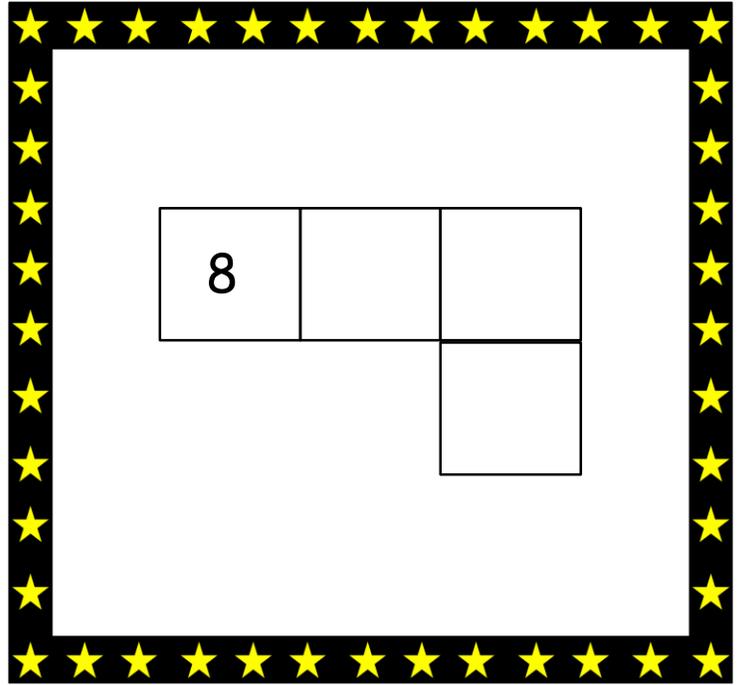

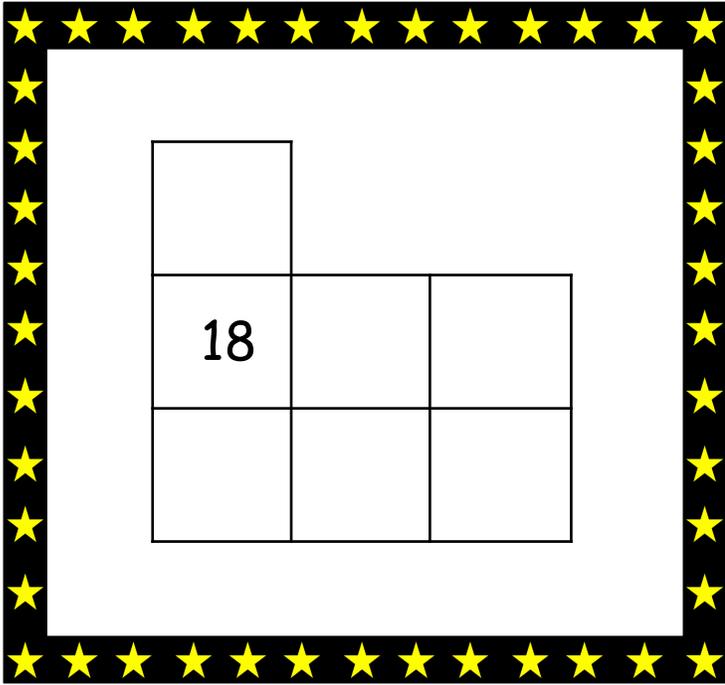

***Not sure how to teach your children how to solve the puzzles. My [30 Scripted Lessons for Building Number Sense](#) will walk you through it.***
