# *Missing Number Equations*

## Prep-Work:

1. Print off one game board per child
2. Gather up a game piece, a die, and something to cover up the numbers on the BINGO grid.

## Directions:

1. Children roll the die, and move that many spaces in any direction around the board
2. They solve the problem they landed on and cover up the answer on the BINGO board
3. The first person to cover up all numbers wins.
