

## Finding integers on number line worksheet

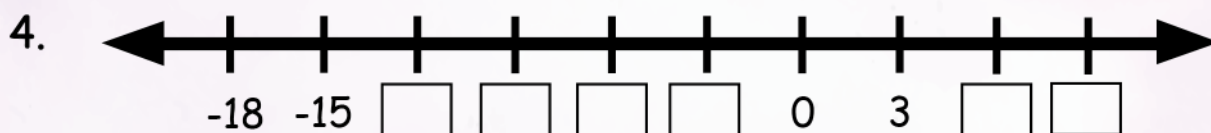

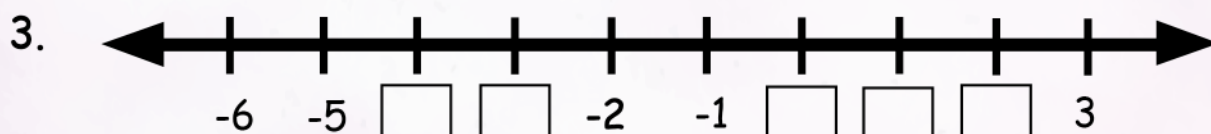

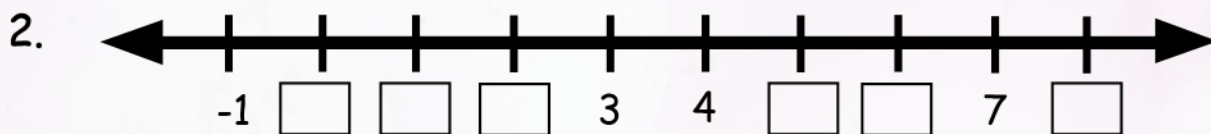

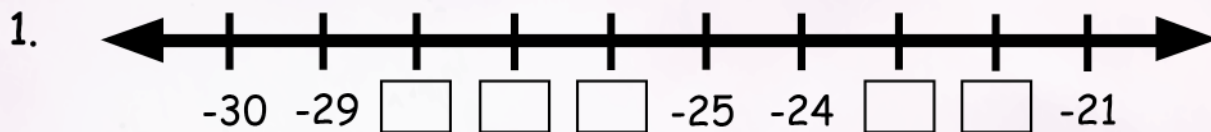

5. On the number line below, mark A, B, C, D, & E in their estimated position  
A = 5 B = 2 C = 0 D = -1 E = 4

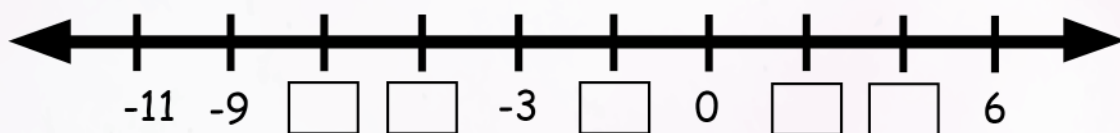

6. Count and create a number line for the integers between -10 to -1

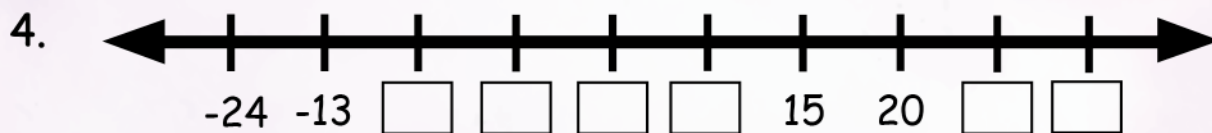

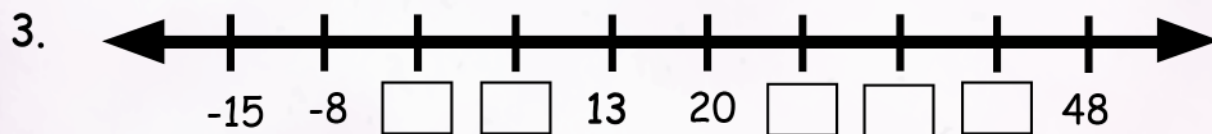

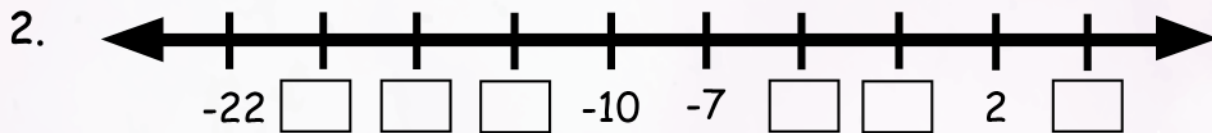

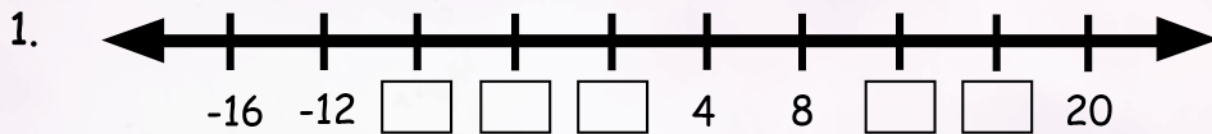

5. On the number line below, mark A, B, C, D, & E in their estimated position

A = -5   B = 4   C = -7   D = 2   E = -1

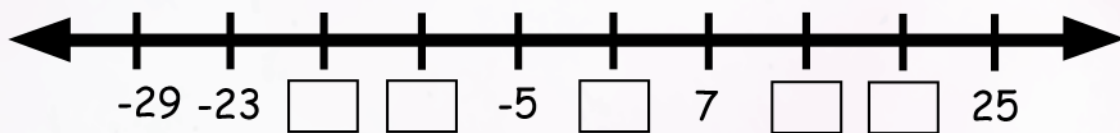

6. Count and create a number line for the integers between -15 to -6

5. On the number line below, mark A, B, C, D, & E in their estimated position

A = 13    B = -17    C = 19    D = -11    E = 1

6. Count and create a number line for the integers between -4 to 5
