## Finding Interior Angles

Figure out the number of sides and calculate the interior angles of the polygons

Number of sides = \_\_\_\_\_  
Sum of interior angles = \_\_\_\_\_

Number of sides = \_\_\_\_\_  
Sum of interior angles = \_\_\_\_\_

Number of sides = \_\_\_\_\_  
Sum of interior angles = \_\_\_\_\_

Number of sides = \_\_\_\_\_  
Sum of interior angles = \_\_\_\_\_

Number of sides = \_\_\_\_\_  
Sum of interior angles = \_\_\_\_\_

Number of sides = \_\_\_\_\_  
Sum of interior angles = \_\_\_\_\_
