Help the turkey to pack up the pumkin in the box. Cut out the card below. Can you place all the pumkin cards on the grid so that each card covers 2 numbers whose difference equals the number on the card? For example, you could cover 12 and 3 with 9.

9	2	5	5
6	3	12	12
14	11	16	16
15	6	13	13
