

Name :

Worksheet for Filling the Gaps by Dividing by Multiples of 10 100 and 1000

$65000 \div \square = 10$

$3200 \div \square = 100$

$\square \div 30 = 40$

$\square \div 10 = 400$

$24000 \div \square = 80$

$45000 \div \square = 900$

$7200 \div \square = 90$

$49000 \div \square = 70$

$\square \div 50 = 3000$

$\square \div 50 = 70$

$42000 \div \square = 6$

$76000 \div \square = 20$

$7200 \div \square = 8$

$6000 \div \square = 30$

$\square \div 200 = 70$

$\square \div 30 = 700$

$18000 \div \square = 600$

$3600 \div \square = 60$

$7200 \div \square = 200$

$10000 \div \square = 50$

Name :

Worksheet for Filling the Gaps by Dividing by Multiples of 10 100 and 1000t

$$80000 \div \square = 400$$

$$25000 \div \square = 100$$

$$\square \div 40 = 7000$$

$$\square \div 20 = 400$$

$$36000 \div \square = 800$$

$$360 \div \square = 90$$

$$34000 \div \square = 200$$

$$42000 \div \square = 60$$

$$\square \div 80 = 30$$

$$\square \div 70 = 700$$

$$9000 \div \square = 900$$

$$32000 \div \square = 2000$$

$$52000 \div \square = 100$$

$$12000 \div \square = 30$$

$$\square \div 50 = 700$$

$$\square \div 50 = 700$$

$$32000 \div \square = 40$$

$$36000 \div \square = 600$$

$$35000 \div \square = 50$$

$$4000 \div \square = 500$$
