

Do A Hand Sign

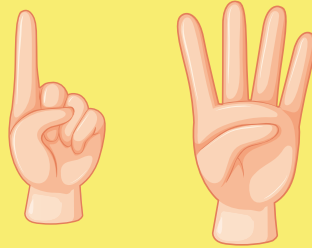

From the front door 9 people have entered. But, from the back door only 4 people have left.
How many are in the house till now?

$$4 + \square = 9$$

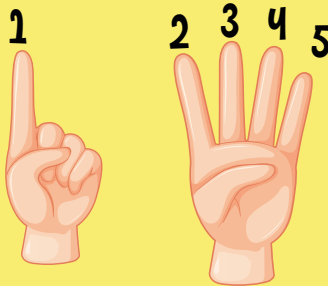

Count the total with your finger

$$4 + \square = 9$$

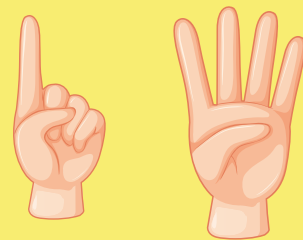

Fold the number of fingers equal to given addend

$$4 + \square = 9$$

Count the remaining fingers

$$4 + \boxed{5} = 9$$

So, 5 people are remaining in the room.
