

Solve Two Way Tables with Shapes

1. Complete the two way table to show the information about the shapes below

	Square	Circle
Blue	11	7
Yellow	3	7
Total	14	14

2. Complete the two way table to show the information about the shapes below

	Star	Triangle
Violet		
Orange		
Total		

3. Complete the two way table to show the information about the shapes below

	Square	Triangle
Brown		
Blue		
Total		

4. Complete the two way table to show the information about the shapes below

	Square	Triangle
Green		
Red		
Total		

5. Complete the two way table to show the information about the shapes below

	Star	Pentagon
Pink		
Purple		
Total		

6. Complete the two way table to show the information about the shapes below

	Square	Circle
Gray		
Purple		
Total
