## Prep Work -

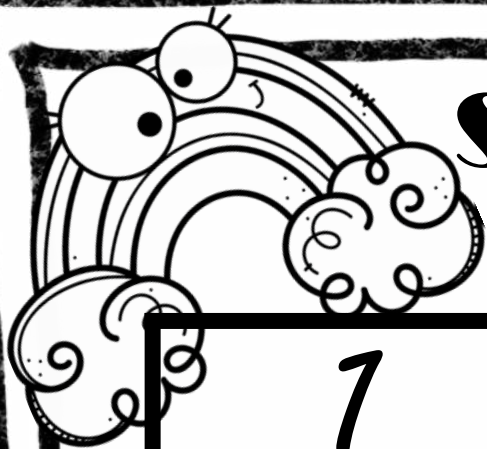

- Print off worksheets (there are different levels so browse through them first to determine which ones best meet the needs of your students)
- Provide Base ten blocks as extra help

## Directions -

1. Have the represent the number using base ten blocks
2. In a different color add one, ten, or hundred more.
3. Write the sum in the last box.

(Some children may find it easier to solve with actual base ten blocks)
